

FOOTBALL

2008 FOOTBALL PRACTICE RULE

Football practice may begin on Monday, Aug. 4. Helmets may be worn from the first day of practice, but a player's personal uniform pads may not be used during the first three days of practice in shorts, a period designated for coaches to determine if football players are conditioned physically for football practice. From the first day of practice, teams are permitted to use all equipment (blocking sleds, dummies, etc.) that is normally used during the season. The first game may be played Aug. 28 or any date thereafter.

A student starting practice after Aug. 4 also must spend the first three days of practice in shorts without using personal uniform pads.

Football Coaches Committee (Listed By Districts)

(1) Mark Lassiter, Fairhope. (2) Kevin Collins, Enterprise. (3) Brent Hubbert, Maplesville. (4) Ron Nelson Central-Phenix City. (5) Greg Watts, Mortimer Jordan. (6) Steve Smith, Piedmont. (7) Cody Gross, Colbert County. (8) Bob Godsey, Hartselle.

The Championship Program

First Practice—Aug. 4 First Game—Aug. 28

New Online Requirements For All Sports

POSTING SCHEDULES

Schools must go online to the AHSAA website Member Section and enter season schedules for all sports by the deadline dates listed below for sports in each quarter. Failure to do so will result in a fine of \$100 assessed to the school. Schools should go online and make any changes immediately as they occur.

Deadlines for entering schedules:

March 1-- fall sports (football, volleyball, cross country, swimming)

Sept. 15 --winter sports (wrestling, basketball)

Jan 15 -- spring sports (baseball, softball, outdoor track, soccer, golf and tennis)

POSTING SCORES

Schools are also required to post scores of contests ONLINE immediately following all contests in the regular season (and within 24 hours after regular season tournaments). Results must be posted no later than 30 minutes following a regular season contests. Failure to do so will result in a fine of \$25 assessed to the school.

In the post-season playoffs, failure to report scores in the same manner will result in a \$100 fine assessed to the school.

Instructions will be posted on the AHSAA website Member Section.

1. Senior high schools are divided into six classifications - 1A, 2A, 3A, 4A, 5A and 6A-based on average daily membership figures furnished by the State Department of Education for the upper three grades plus the ninth grade hold-backs.
The football-playing schools have been placed in the appropriate classification, starting with the largest schools in Class 6A; the next largest in Class 5A, etc.
Each classification has been divided into eight regions with as near the same number of football-playing schools in each region as geographically feasible. All regions have seven or eight schools.
All alignment changes for 2008-09 and 2009-10 were made prior to Oct. 1, 2007. After the two-year classification period begins, no alignment changes (in classes, areas, etc.) are permitted.
2. In order to qualify for the football championship program, a school must schedule all participating schools in its region. Only games added to a school's schedule and reported in writing to the State Office before Aug. 28 of the current school year will count in the state championship program.
3. Senior high schools are permitted to play 10 regular season games on the 10 allotted playing dates. The last date to schedule a regular season game is Oct 31. The

first, fifth and 10th playing dates must be used for non-region games. The five-week football playoff program begins on the 11th playing date.

4. If a school has a contract for a game and breaks it (by paying the forfeiture fee) without mutual consent of the other school involved, this shall count as one of the offending school's allowed games and will be officially a forfeited game. The school receiving the forfeit shall not count the game as a win if the game is replaced on its schedule.
5. All participants must be eligible under AHSAA rules.
6. All games are conducted under National Federation football rules.
7. Each school may hold spring practice any time during the second semester for a maximum of 10 days during any consecutive 15 school-day calendar period. (Spring holidays not used for practice are not counted as calendar days.) Each school is permitted only one spring practice period per school year but may have a separate jamboree or regulation game for the senior and junior high/middle school teams.

Special Rules

1. All regular season varsity games must start no later than 7 p.m. Central Time.
2. It is the responsibility of each member school to make sure all officials and clock operators used are registered with the AHSAA. The maximum officiating fee for a regular season varsity game is \$60 per official, \$40 for the clock operator. Mileage is not to exceed 58.5 cents per mile for one car (round trip).
3. All regular season varsity games must have a registered official as the Electric Clock Operator.
4. If a host school has an operable 25-second clock, it may be used in regular season and playoff games with a local registered Electric Clock Operator or a registered official.
5. Tie games are not permitted for varsity games during the regular season or the championship playoffs. If there is a tie at the end of regulation play of a varsity game, the tie must be broken by using the 10-Yard Line Overtime Procedure as outlined in the National Federation football rules book.

Only by mutual consent between the two participating schools prior to the start of the game can junior varsity, B-team and/or junior high (middle school) games ending in a tie be broken by the 10-Yard Line Overtime Procedure.
6. If a non-faculty coach is ejected from a game, that "aide" is not permitted on the field during a contest for the remainder of that team's season.
7. Bands shall not be allowed to enter the opposing team's player box (25-yard line to 25-yard line) before the first half has officially ended without receiving prior permission from the opposing head coach.
8. Wilson footballs meeting high school specifications must be used in all region and playoff games.

(Only the schools that participate in the championship football program are listed in the region alignment.)

Playoff Format

Schools must play all other participating schools in its region to qualify for the championship program.

If a school in a given region fails to qualify for the playoff program, a game with that school will be treated as a non-region game. The first four places in each region will be determined by the won-loss percentage against qualified region opponents.

In case of ties by two or more teams for a certain place in the final region standings, follow the tie-breaking procedure and apply the tiebreakers in the order listed, beginning with (a).

Tie-Breaking Procedure

1. Resolve all two-team ties first, using tiebreaking factor (a).
2. If two or more teams are tied for one of the qualifying places in a sport, first resolve the tie for the highest of those places in the standings, then the next highest place in the standings, etc.
3. To resolve the team rankings if more than two teams are tied, determine the highest-ranked team by applying the tiebreakers in the order listed, beginning with (aa). Until the highest-ranked team has been determined, no consideration will be given to determining the ranking of the other teams involved in that tie.
After the highest ranked team has been resolved, then the next highest-ranked team will be determined by applying the same tiebreakers, beginning with (aa).
4. If a certain tiebreaker does not apply to the tie being resolved, apply the next tiebreaker in the order listed for that sport.
5. Forfeited contests count as losses. A team that intentionally forfeits a required game becomes ineligible for championship competition for the remainder of that classification period plus the next classification period in that sport.
6. If two area, region or section teams elect to play each other more than the required number of contests during the same season, the first contest played (or first at each site if two are required in a sport) will be used in computing standings unless the State Office is otherwise notified in writing by both schools prior to the season. The other contest(s) will be treated as non-required contest(s).
7. Contests against teams that are not eligible for the championship program and contests in regular season tournaments are not used in figuring any tiebreakers.

IF TWO TEAMS TIE . . .

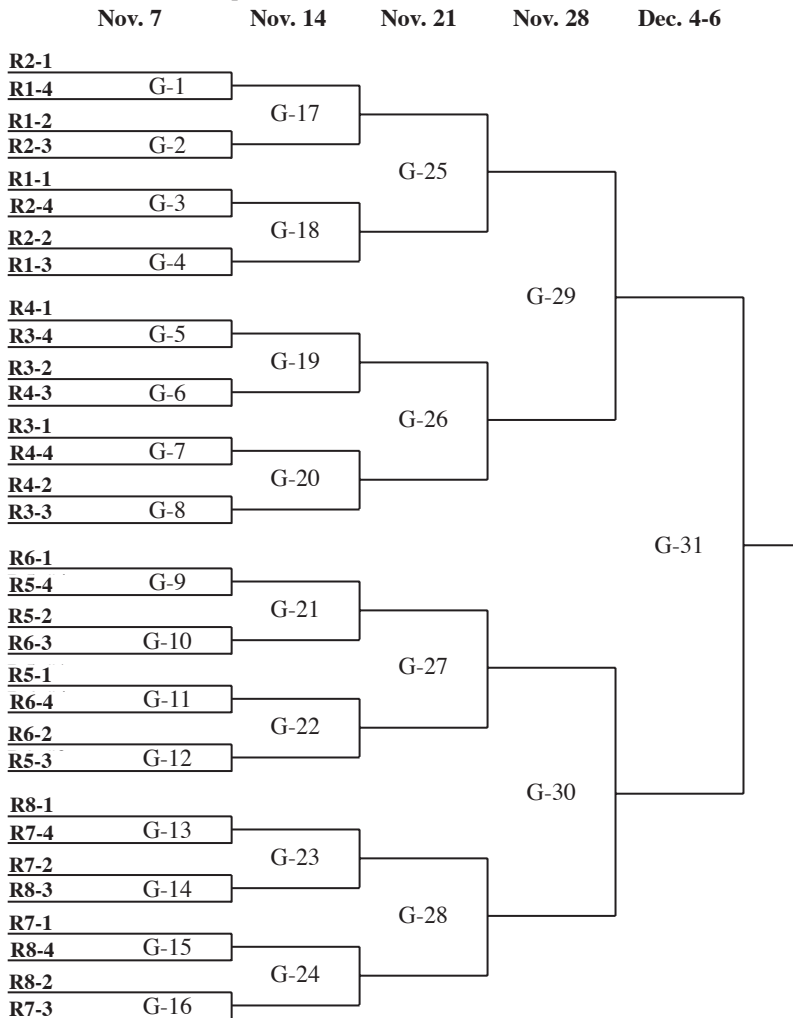

- (a) ...the team that defeated the other in its **one** required regular season contest will be placed above the other tied team. The team that lost its head-to-head contest(s) will qualify for the next highest place.

IF MORE THAN TWO TEAMS TIE ...

- (aa)...the team that had the highest winning percentage against all the other tied teams will be placed ahead of all the other tied teams. (Note: If one of the teams does not have a higher winning percentage than all the other tied teams, the tie cannot be resolved by this factor.)
- (bb)...the team that had the highest winning percentage in any non-required contests against each other will be ranked ahead of all the other tied teams. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required contests against all the other required teams.)
- (cc)...the team that had the highest winning percentage in any non-required contests against the other required teams will be ranked ahead of all the other tied teams. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required games against all the other required teams.)
- (dd)...the team with the best winning percentage against non-required common opponents.
- (ee) ...the team whose defeated required opponents have the most victories.
- (ff)...the team with the most victories if all teams involved in the tie play an equal number of total games.
- (gg)...the team with the most victories.
- (hh)By flip of a coin

2008 Playoff Bracket (Revised)

For the championship playoffs the region qualifiers in each class will be paired in a 32-team bracket with positions in the brackets as follows:

In the first round of play in 2008 for all classes, the teams listed on the top of the brackets will be the host teams.

Game Sites

1. The game sites in all rounds will be set at suitable stadiums which are nearest to the schools whose teams are designated as “host” teams.
2. “Host” teams will be determined as follows:
 - (a) In first round games the region winners and runners-up, which are placed in the top positions on the brackets, will be the “host” teams.
 - (b) In the second, quarter-final and semi-final rounds, the team that traveled more times during the preceding round(s) will be the “host” team. If travel (number of times) in the previous round(s) is the same, the team on the top of the bracket will be the “host” team. If two teams from the same region meet, the highest seeded team in the final region standings will be the “host” team.
Note: A team's seed is the team's place in its final region standings.
3. The championship games will be played at Legion Field in Birmingham.
The schedule: Thursday, Dec 4: 3:00 - Class 3A, 7:00 - Class 4A
Friday, Dec 5: 3:00 - Class 1A, 7:00 - Class 5A
Saturday, Dec. 6: 11:00 - Class 2A, 3:00 - Class 6A

Stadium Criteria

Each school hosting a playoff game must provide a facility that meets the minimum standards.

The minimum seating capacity for schools in each class are:

Class 1A - 1,750	Class 4A - 3,500
Class 2A - 2,000	Class 5A - 4,000
Class 3A - 2,250	Class 6A - 4,500

Other minimum standards:

1. The field shall include coaches' areas and team boxes and be marked as outlined in the National Federation Rules Book (Rule 1 - The Game, Field, Players and Equipment).
2. The barrier (wire fence) enclosing the field shall be at least five yards from the sideline and four feet high.
3. A secure area (ticket booth) for the sale of tickets must be provided outside the stadium.
4. Entrance gate(s) for receiving tickets and a pass gate must be provided.
5. The stadium (seating areas and playing field) must be totally enclosed so fans must use the gate(s) to gain entrance to the stadium.
6. Dressing rooms with hot and cold showers for both teams must be provided.
7. An officials' dressing room with hot and cold showers must be provided.

Game Managers

Game managers will be the host school's principal if the game is played on a school's usual facility or within the area of his school district; otherwise, the manager will be appointed by the Executive Director and Central Board of Control.

Tickets and Programs

Printing of tickets for the championship playoff games will be the responsibility of the Executive Director. For the first four rounds, all tickets will be \$7.00 each.

Ticket prices for the championship games will be \$10.00 each.

For the first four rounds, the host school will have the responsibility of producing the game program and will retain any proceeds derived from it.

Student Tickets and Passes

Bands, cheerleaders, and participating drill teams in uniform shall be admitted free. Principals, superintendents and coaches with current I.D. cards shall be admitted without charge.

Game Officials

Five game officials and a clock operator shall be assigned to each game by the State Office. Fees to game officials in the first four rounds will be \$65 each plus 58.5 cents per mile for one vehicle (round trip). The clock operator will receive a \$40 fee. All officials, including the clock operators, must be registered with the AHSAA.

Trophies

Trophies will be awarded to the state champion and state runner-up in each class.

Division of Receipts

Receipts from all playoff games will be divided after expenses as follows:

- (a) 38% to visiting team
- (b) 38% to home team
- (c) 24% to AHSAA

Receipts from the playoff games are to go exclusively to the above listed school organizations. The management and direction is solely under the control of the Alabama High School Athletic Association.

DEDUCTIBLE EXPENSES

Deductible expenses before division of receipts:

- (a) Team's traveling expenses - Limited to \$7.00 per mile one way.
- (b) Stadium rental fee - If game is played in a stadium owned by the host school or its school system, no rental fee will be paid. If played on a municipal-

owned field or on a neutral school-owned field, the rental fee is not to exceed that usually paid by the host school for its regularly scheduled games and not to exceed \$500. At all facilities the home team will provide and pay the necessary game management expenses, including ticket sellers and takers, policemen, firemen and other necessary personnel. If a school is unable to accommodate a game on this basis, the Executive Director and Central Board of Control will have the responsibility of moving the game to another site.

- (c) Host school expenses - 7 percent of the gross gate after taxes, but not to exceed \$500.
- (d) Officials fees (see "Game Officials")
- (e) Printing of tickets (see "Tickets and Programs")
- (f) Trophies (see "Trophies")
- (g) Other approved expenses by Executive Director and Central Board of Control.

Team Transportation

Visiting team's travel and transportation expenses will be limited to \$7.00 per mile one way.

Officials' Decisions

Decisions of game officials are final in all games. Protests are not allowed. All public address expressions critical of officials' decisions are interpreted as unsportsmanlike and will subject the school, players and coaches to appropriate disciplinary action.

Radio and Television First Four Rounds

Permission may be granted for radio broadcasts and delayed telecasts upon written request to the State office. Permission is usually not granted for "live" television broadcasts or internet streaming, which will be negotiated by the State Office.

In a request letter, a station should specify dates, games, sites and the number of persons in its broadcast crew. The request letter should be accompanied by a check for the appropriate fees.

Also, stations should send a copy of each request letter to the host school principal and make seating arrangements with the host school.

Fees are as follows:

Radio: Live broadcast - \$200 per game

Delayed broadcast - \$150 per game

Television: Delayed telecast - \$300 per game

Broadcast fees are divided on the same basis as game receipts.

Super Six (Finals)

All television and radio media rights (live or taped delayed) to all Super 6 games are the property of the AHSAA and the Alabama High School Sports Network. This includes all over-the-air, cable, satellite or internet broadcasts. Interested parties

may contact The Alabama Sports Foundation (Brett Collins at 205-262-2827) to inquire about broadcast opportunities for these games. Only the Alabama High School Sports Network and flagship radio stations, as designated in writing by the participating schools, will be allowed to broadcast a championship game in part or in whole.

Game Postponement

The game coordinator on the scene will decide whether circumstances warrant postponement and rescheduling of a playoff game. Any postponement or suspended game will be played on the next available date.

Game Balls

It will be the responsibility of the home team to furnish the game balls (3 new official balls), which will be retained by the host team. Wilson balls must be used in all playoff games.

Overtime Procedure

If at the end of regulation play there is a tie in a playoff game, the tie will be broken by using the 10-Yard Line Overtime Procedure shown in the National Federation High School Football Rule Book for the current year.

Season, Playoff Dates

A school must complete its region schedule prior to the first round of the championship playoff. The dates for each round of the playoffs for the next four years are as follows:

Year	1st Rnd.	2nd Rnd.	3rd Rnd.	4th Rnd.	Super 6
2008	11/7	11/14	11/21	11/28	12/4-6
2009	11/6	11/13	11/20	11/27	12/3-5
2010	11/5	11/12	11/19	11/26	12/2-4
2011	11/4	11/11	11/18	11/25	12/1-3

In cities where the same stadium is used by more than one school, games may be played on Thursday or Saturday.

Rules Interpretation

The interpretation and application of the rules and procedures of the championship playoff program are vested in the Executive Director and Central Board of Control and cannot be appealed.

The Schedules

KEY
