PLAY BY THE RULES

Mutual agreements to violate NFHS playing rules or AHSAA rules are not permitted and may result in the suspension of the schools involved.

Protests of high school athletic contests are not recognized by the NFHS and the AHSAA unless specifically provided by the NFHS Rules code in a particular sport.

PARTICIPATION REMINDER

A school that sponsors a team or an individual in any sport competition and elects not to participate in the championship program is subject to penalty, which could include suspension from championship play for the remainder of the classification period.

FILMING AND TAPING

A school shall not video tape nor film any contest in which it is not involved unless it has received permission from both participating schools.

HOST SCHOOL'S RESPONSIBILITY

It will be the responsibility of the host school to make certain the visiting team fans have a separate, designated place to sit, free from any harassment of home fans. In cases where this is prohibitive because of the facilities, the host school assumes responsibility of providing adequate security to prevent such harassment. Also the host school must provide adequate security for game officials.

2013 FALL FOOTBALL PRACTICE RULE

Prior to the start of a 10-day spring football evaluation period, three days of heat conditioning in helmets is required. No other equipment (balls, pads, etc.) may be used and no coaching is permitted. Anything that simulates practice will mark the first day of a school's allotted 10 days of practice. Note: The three days of heat conditioning in helmets are not required for students involved in a spring sport.

Football practice may begin on Monday, Aug. 5. The first two days of fall football practice must be in shorts. These two days are designed for coaches to determine if the students are conditioned physically for football practice. On the third day, shoulder pads are allowed for one practice and the length of this practice shall not exceed 1.5 hours. During the first three days of practice, teams may wear helmets and may use handheld blocking pads. The earliest date full pads may be worn is Aug. 8.

The first game may be played Aug. 29 or any date thereafter. A student starting practice after Aug. 5 also must spend the first three days of practice in shorts without using personal uniform pads.

Online Requirements For All Sports POSTING SCHEDULES

Schools must post season schedules on the AHSAA website in the Members' Area by the deadline dates listed below. Failure to do so could result in a fine assessed to the school. Schools may go online and make any changes immediately as they occur.

Deadlines for posting schedules:

April 1— fall sports (football only)

June 2 — fall sports (volleyball, cross country, swimming & diving)

Sept. 16 — winter sports (wrestling, basketball, indoor track)

Jan. 15 — spring sports (baseball, softball, outdoor track, soccer, golf, tennis)

POSTING ROSTERS

Schools are required to post team rosters prior to its first contest of the season.

POSTING SCORES

Schools are also required to post scores of contests online immediately following all contests in the regular season (and within 24 hours after regular season tournaments) and in the playoffs or be subject to a fine.

In the post-season playoffs, failure to report scores immediately after a contest will subject the school to a fine.

 Senior high schools are divided into six classifications - 1A, 2A, 3A, 4A, 5A and 6A-based on average daily membership figures furnished by the State Department of Education for the upper three grades plus the ninth grade hold-backs.

The football-playing schools have been placed in the appropriate classification, starting with the largest schools in Class 6A; the next largest in Class 5A, etc.

Each classification has been divided into eight regions with as near the same number of football-playing schools in each region as geographically feasible. All regions have seven, eight or nine schools.

All alignment changes for 2012-13 and 2013-14 were made prior to Dec. 1, 2011. After the two-year classification period begins, no alignment changes (in classes, areas, etc.) are permitted.

2. In order to qualify for the football championship program, a school must schedule all participating schools in its region. Only games added to a school's schedule and reported in writing to the State Office before Aug. 29 of the current school year will count in the state championship program.

If a team cancels its season, its region opponents will receive forfeits. Its nonregion opponents will receive forfeits unless replacement teams are played and

these games will count in the tiebreaking factors.

- 3. Senior high schools are permitted to play 10 regular season games on the 10 allot- ted playing dates. The last date to schedule a regular season game is Nov. 1. The first, fifth and 10th playing dates must be used for non-region games if available. The five-week football playoff program begins on the 11th playing date (Nov. 8).
- 4. If a school has a contract for a game and breaks it (by paying the forfeiture fee) without mutual consent of the other school involved, this shall count as one of the offending school's allowed games and will be officially a forfeited game. The school receiving the forfeit shall not count the game as a win if the game is replaced on its schedule.
- 5. All participants must be eligible under AHSAA rules.
- 6. All games are conducted under National Federation football rules.
- 7. Each school may hold spring practice any time during the second semester for a maximum of 10 days during any consecutive 20 school-day calendar period. (Spring holidays not used for practice are not counted as calendar days.) Each school is permitted only one spring practice period per school year but may have a separate jamboree or regulation game for the senior and junior high/middle school teams.
- 8. A fall jamboree or pre-season regulation game must be played on Thursday, Aug. 22, or Friday, Aug. 23. This does not include AHSAA-sanctioned pre-season games.

Special Rules

- 1. All regular season varsity games must start no later than 7 p.m. Central Time. Forfeit time is 30 minutes after the scheduled starting time. If the host team is notified prior to the scheduled starting time that an emergency situation will delay the visiting team's arrival, the forfeit time may be delayed.
- It is the responsibility of each member school to make sure all officials and clock operators used are registered with the AHSAA. Please see officials' fee information on page 21.
- 3. All regular season varsity games must have a registered official as the Electric Clock Operator.
- If a host school has an operable 25-second clock, it may be used in regular season and playoff games with a local registered Electric Clock Operator or a registered official.
- 5. Tie games are not permitted for varsity games during the regular season or the championship playoffs. If there is a tie at the end of regulation play of a varsity game, the tie must be broken by using the 10-Yard Line Overtime Procedure as outlined in the National Federation football rules book.

Only by mutual consent between the two participating schools prior to the start of the game can junior varsity, B-team and/or junior high (middle school) games ending in a tie be broken by the 10-Yard Line Overtime Procedure. The agreement must be communicated to the game officials during the pre-game conference.

6. If a non-faculty coach is ejected from a game, that "aide" is not permitted on the field during a contest for the remainder of that team's season.

- 7. Bands shall not be allowed to enter the opposing team's player box (25-yard line to 25-yard line) before the first half has officially ended without receiving prior permission from the opposing head coach.
- 8. Wilson footballs with the NFHS Authenticating Mark must be used in all region and playoff games.

Playoff Format

Schools must play all other participating schools in its region to qualify for the championship program.

If a school in a given region fails to qualify for the playoff program, a game with that school will be treated as a non-region game. The first four places in each region will be determined by the won-loss percentage against qualified region opponents. Only games added and reported to the State Office before the first contest date will count in the championship program.

In case of ties by two or more teams for a certain place in the final region standings, follow the tie-breaking procedure and apply the tiebreakers in the order listed, beginning with (a).

Tie-Breaking Procedure

- 1. Resolve all two-team ties first, using tiebreaking factor (a).
- 2. If two or more teams are tied for one of the qualifying places in a sport, first resolve the tie for the highest of those places in the standings, then the next highest place in the standings, etc.
- 3. To resolve the team rankings if more than two teams are tied, determine the highest-ranked team by applying the tiebreakers in the order listed, beginning with (b). Until the highest-ranked team has been determined, no consideration will be given to determining the ranking of the other teams involved in that tie.

After the highest ranked team has been resolved, then the next highest-ranked team will be determined by applying the same tiebreakers, beginning with (a) or (b) as necessary.

- 4. If a certain tiebreaker does not apply to the tie being resolved, apply the next tiebreaker in the order listed for that sport.
- Forfeited contests count as losses. A team that intentionally forfeits a required game becomes ineligible for championship competition for the remainder of that classification period plus the next classification period in that sport.
- 6. If two area, region or section teams elect to play each other more than the required number of contests during the same season, the first contest played (or first at each site if two are required in a sport) will be used in computing standings unless the State Office is otherwise notified in writing by both schools prior to the season. The other contest(s) will be treated as non-required contest(s).
- 7. Contests against teams that are not eligible for the championship program are not used in figuring any tiebreakers

IF TWO TEAMS TIE . . .

a) If two teams are tied for any place, the team that defeated the other in the required regular season game will be placed above the other tied team. The team that lost its head-to-head contest will qualify for the next highest place.

IF MORE THAN TWO TEAMS TIE ...

- b) If more than two teams are tied for any place, the team that defeated all the other tied teams in the required regular season games will be placed ahead of all the other tied teams. If one of the teams did not defeat all the other tied teams, the tie cannot be resolved by this factor.
- c) If more than two teams are tied for any place, the team (or teams) that had the highest winning percentage against the No. 1 ranked team will be ranked ahead of all the other tied teams. If there is a three-way tie for first place, apply (f) and the remaining tiebreakers in the order as needed.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

d. Apply (c) using percentage against the No. 2 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. e. Apply (c) using percentage against the No. 3 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

f. Apply (c) using percentage against the No. 4 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

g. Apply (c) using percentage against the No. 5 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

h. Apply (c) using percentage against the No. 6 ranked team.

If two teams tie for the highest winning percentage ahead of all the other

teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

i. Apply (c) using percentage against the No. 7 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

j. Apply (c) using percentage against the No. 8 ranked team.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

The team with the best winning percentage against non-required common opponents.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

 The team whose defeated non-region opponents in class and above have the most victories if all teams involved in the tie play an equal number of games.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

m) The team whose defeated opponents have the most victories if all teams involved in the tie play an equal number of games.

Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

 The team with the most victories if all teams involved in the tie play an equal number of games.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular

season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

p) The team with the most victories.

If two teams tie for the highest winning percentage ahead of all the other teams involved in the tie, the team that defeated the other in their required regular season game will be placed ahead of all tied teams. Then, if necessary, apply (a) or (b) as applicable for the remaining teams in the tie.

q) By flip of a coin.

The coin flip will be administered by the State Office. The first flip resulting in an odd coin will place the team represented by that coin ahead of all the other tied teams.

2013 Playoff Bracket

For the championship playoffs the region qualifiers in each class will be paired in a 32-team bracket with positions in the brackets as follows:

In the first round of play in 2013 for all classes, the teams listed on the bottom of the brackets will be the host teams.

Game Sites

- 1. The game sites in all rounds will be set at suitable stadiums which are nearest to the schools whose teams are designated as "host" teams.
- 2. "Host" teams will be determined as follows:
 - (a) In first round games the region winners and runners-up, which are placed in the bottom positions on the brackets, will be the "host" teams.
 - (b) In the second, quarter-final and semi-final rounds, the team that traveled more times during the preceding round(s) will be the "host" team. If travel (number of times) in the previous round(s) is the same, the team on the bottom of the bracket will be the "host" team. If two teams from the same region meet, the highest seeded team in the final region standings will be the "host" team.

Division of Receipts

Receipts from all playoff games will be divided after expenses as follows:

- (a) 38% to visiting team
- (b) 38% to home team
- (c) 24% to AHSAA

Receipts from the playoff games are to go exclusively to the above listed school organizations. The management and direction is solely under the control of the Alabama High School Athletic Association.

DEDUCTIBLE EXPENSES

Deductible expenses before division of receipts:

- (a) Team's traveling expenses Limited to \$7.00 per mile one way.
- (b) Stadium rental fee If game is played in a stadium owned by the host school or its school system, no rental fee will be paid. If played on a municipal owned field or on a neutral school-owned field, the rental fee is not to exceed that usually paid by the host school for its regularly scheduled games and not to exceed \$500. At all facilities the home team will provide and pay the necessary game management expenses, including ticket sellers and takers, policemen, firemen and other necessary personnel. If a school is unable to accommodate a game on this basis, the Executive Director and Central Board of Control will have the responsibility of moving the game to another site.
- (c) Host school expenses 7 percent of the gross gate after taxes, but not to exceed \$500.
- (d) Officials fees (see "Game Officials")
- (e) Printing of tickets (see "Tickets and Programs")

- (f) Trophies (see "Trophies")
- (g) Other approved expenses by Executive Director and Central Board of Control.

Team Transportation

Visiting team's travel and transportation expenses will be limited to \$7.00 per mile one way.

Officials' Decisions

Decisions of game officials are final in all games. Protests are not allowed. All public address expressions critical of officials' decisions are interpreted as unsportsmanlike and will subject the school, players and coaches to appropriate disciplinary action.

Media Requests, Broadcasts

See Media link on AHSAA home page (www.ahsaa.com).

Game Postponement

The game coordinator on the scene will decide whether circumstances warrant postponement and rescheduling of a playoff game. Any postponement or suspended game will be played on the next available date.

Game Balls

It will be the responsibility of the home team to furnish the game balls (3 new official balls), which will be retained by the host team. Wilson balls must be used in all playoff games.

Overtime Procedure

If at the end of regulation play there is a tie in a playoff game, the tie will be broken by using the 10-Yard Line Overtime Procedure shown in the National Federation High School Football Rule Book for the current year.

POSTING SCORES

Schools are also required to post scores of contests online immediately following all contests in the regular season (and within 24 hours after regular season tournaments) and in the playoffs or be subject to a fine.

In the post-season playoffs, failure to report scores immediately after a contest will subject the school to a fine.

- 1. Schools are divided into six classes 1A, 2A, 3A, 4A, 5A and 6A. Each class is divided into 16 areas.
- Each high school is limited to 15 regular season playing dates plus tournaments on non-school time. The 15 playing dates include all dual and tri-matches played prior to the area, super regional and state tournaments. Tournaments are not counted as playing dates.

One tournament may be played during the week with no loss of school time. All other tournaments must be held on weekends with no loss of school time. Any match starting at 5 p.m. or later is considered a night contest.

Each junior high or middle school is limited to 10 regular season playing dates plus tournaments on non-school time. Each tournament must be held with no loss of school time.

Note: A tournament, an organized sport competition that uses elimination and/ or round-robin formats, must be sanctioned and determine a champion. It is usually played at one site.

3. Each school must create its roster online and submit to its area tournament director at the area drawing meeting or via email.

- 4. All matches will be played under National Federation rules and the decision of the officials will be final. Protests are not allowed. Rules of note are:
 - (a) When the host school does not pad the standards, floor/wall cables and referee's platform according to Rule 3-1-3, the match shall not be played and the State Office shall be notified.
 - (b) Teams shall remain on the same benches throughout the match (Rule 9-1-2 Note has been adopted.)
 - (c) Two officials must be used for all matches. (Rule 5-1-1)
 - (d) All matches at all levels of play consist of the best 3-out-of-5 games with the fifth game 15 points. A modified format (best 2-out-of-3 games with the third game 15 points) may be used for non area varsity tri-matches, varsity invitational tournaments and sub-varsity matches. (Adoption of Rule 1-2-3, Note 2)
 - (e) All matches in championship play (regular season area matches and area, super regional and state tournament matches) must be the best 3-out-of-5 games with the fifth game 15 points.
 - (f) All tournaments held during the regular season must use the AHSAA tiebreaking procedure.
- 5. It is the responsibility of each member school to make sure all officials used are registered with the AHSAA. Please see officials' fee information on page 72.
- 6. Each school may hold spring practice any time between the end of the basket-ball season and the end of school for a maximum of 5 days during any consec-utive 10 school-day calendar period. Each school is permitted one spring practice period, which shall be open to incoming new students from feeder schools. A jamboree or regulation match is not permitted.
- 7. Forfeit time is 30 minutes after the scheduled starting time. If the host team is notified prior to the scheduled starting time that an emergency situation will delay the visiting team's arrival, the forfeit time may be delayed.
- 8. A Wilson ball with the NFHS Authenticating Mark must be used in all matches in championship play (regular season area play, area tournaments, super regional and state tournament). Balls with color panels (3 colors and the rest white) may be used according to the preference of the home team. Red-White-Blue colored balls will be used in the State Tournament.

Tie-Breaking Procedure Regular Season Tournaments

This tie-breaking procedure will be used for placement of teams in a regular season tournament if there are any percentage ties after the completion of pool play.

In the event of a percentage tie for any specific place, the team with the highest ranking will be determined by applying the following factors in the order listed, beginning with (a) if two teams tie or (aa) if more than two teams tie.

After the highest-ranked team is determined, the next ranked team will be determined by applying the factors, beginning with (a) or (aa) as applicable, for all other teams involved in the tie. If one factor does not resolve the tie, then the next factor will be applied for all teams involved in the tie.

The factors:

Two-Team Tie

(a) Head-to-head competition during pool play. (The winner will be put in the specific place, the loser in the next highest place.)

More Than Two Teams Tie

(aa) Games won percentage against all teams involved in the tie. (To calculate: total games won DIVIDED BY total games played.)

If two teams tie for the highest "games won percentage," the team that won their head-to-head competition during pool play will be put in the specific place, the other in the next highest place.

(bb) Points won percentage against all teams involved in the tie. (To calculate: total points won DIVIDED BY total points played.)

If two teams tie for the highest "points won percentage," the team that won their head-to-head competition during pool play will be put in the specific place, the other in the next highest place.

- (cc) Apply factor (aa) against the team(s) in pool play not involved in the tie.
- (dd) Apply factor (bb) against the team(s) in pool play not involved in the tie.
- (ee) Playoff using one 15-point game per match. (Three-way tie format: One team draws bye, the other two teams play. Winner of first match plays the team that drew the bye.)

Which format must be determined prior to the start of the regular season. All matches must be 3 of 5. If an area does not decide prior to the season the number of matches required against each area opponent, the first match played against each area opponent will be used in computing standings for seeding purposes.

The No 1-seeded team will host the area tournament. If the No. 1 seeded team does not wish to host the area tournament or cannot provide a facility that meets the gym criteria minimum standards, the No. 2-seeded team will host the area tournament.
