PLAY BY THE RULES

Mutual agreements to violate NFHS playing rules or AHSAA rules are not permitted and may result in the suspension of the schools involved. Protests of high school athletic contests are not recognized by the NFHS and the AHSAA unless specifically provided by the NFHS Rules code in a particular sport.

PARTICIPATION REMINDER

A school that sponsors a team or an individual in any sport competition and elects not to participate in the championship program is subject to penalty, which could include suspension from championship play for the remainder of the classification period.

FILMING AND TAPING

A school shall not video tape nor film any contest in which it is not involved unless it has received permission from both participating schools.

HOST SCHOOL'S RESPONSIBILITY

It will be the responsibility of the host school to make certain the visiting team fans have a separate, designated place to sit, free from any harassment of home fans. In cases where this is prohibitive because of the facilities, the host school assumes responsibility of providing adequate security to prevent such harassment. Also the host school must provide adequate security for game officials.

Shaded areas indicate major changes from the 2013 book.

Online Requirements For All Sports

POSTING SCHEDULES

Schools must post season schedules on the AHSAA website in the Members' Area by the deadline dates listed below. Failure to do so could result in a fine assessed to the school. Schools may go online and make any changes immediately as they occur.

Deadlines for posting schedules:

April 1 — fall sports (football only)

June 2 — fall sports (volleyball, cross country, swimming & diving)

Sept. 16 — winter sports (wrestling, basketball, indoor track)

Jan. 15 — spring sports (baseball, softball, outdoor track, soccer, golf, tennis)

POSTING ROSTERS

Schools are required to post team rosters prior to its first contest of the season.

POSTING SCORES

Schools are also required to post scores of contests online immediately following all contests in the regular season (and within 24 hours after regular season tournaments) and in the playoffs or be subject to a fine.

In the post-season playoffs, failure to report scores immediately after a contest will subject the school to a fine.

1. Senior high schools are divided into six classifications - 1A, 2A, 3A, 4A, 5A and 6A. Each classification is divided into 16 areas with a minimum of three and a maximum of six schools in each area. The alignment of schools is the same for both the boys and girls programs.
2. Schools are permitted to play 20 regular season games and three tournaments prior to area, sub-regional, regional and State Finals play. Two of the three tournaments permitted during the regular season must be held during school holiday periods. Other than the three allowable tournaments, a four-team single elimination tournament on Friday and Saturday (or Saturday only) with no loss of school time may count as two regular season games.

Each junior high or middle school is limited to 16 regular season games and three tournaments. One of the tournaments must be held during a school holiday period. Other than the three allowable tournaments, a four-team single elimination tournament on Friday and Saturday (or Saturday only) with no loss of school time may count as two regular season games.

Note: A tournament is defined as an organized competition in a sport that finally results in determining a champion. In basketball, tournaments using elimination and round-robin formats may be sanctioned. A tournament must involve three or more teams and is usually played at one site.

3. All participants must be eligible under AHSAA rules.
4. All games will be conducted under National Federation rules, including the conduct rules for participants. The conduct of coaches falls under the AHSAA Conduct Rule.
5. During regular season games only, at all levels of competition, a running clock will be used when a team has a 30-point advantage in the fourth quarter. The running clock remains in effect for the remainder of the contest.
6. Spring basketball practice is permitted for a maximum of 5 days during any consecutive 10 school day calendar period any time during the second semester. Spring holidays will not be counted as calendar days for schools that do not use these days to conduct spring practice.
7. It is the responsibility of each member school to make sure all officials and clock operators used are registered with the AHSAA. Please see officials' fee information on page 29.
8. Scorekeepers for regular season, area and playoff varsity games must be at least 18 years of age and must wear a black and white, vertically striped shirt. A student scorekeeper must be a senior and meet the age requirement.
9. Clock operators for regular season, area and playoff varsity games must be registered with the AHSAA and be at least 19 years of age. Clock operators for junior high and middle school games must be 17 years of age.

Special Rules

1. Regular season games are not permitted after the state playoff begins.
2. Invitational, county, conference and league tournaments must be completed before the week of the area tournaments. The AHSAA receives 5 per cent of gross receipts less taxes from all tournaments except area and state playoffs. Form 17 must be filed with the State Office after the completion of each tournament.
3. A student may participate in only one level of competition on the same day or in the same event (county, conference and league tournaments, etc.). Junior high players may be moved to a higher level after completion of their season and its culminating event (city, county tournament, etc.).
4. Wilson Wave balls must be used for all area, sub-regional, regional and state finals play.
5. Each school in the championship program MUST submit online a Basketball Tournament Roster to the State Office before Jan. 30 and also to the area tournament director at the area seeding-drawing meeting.

CHEERLEADING

1. Cheerleaders should be seated in front of their student section and will only be allowed on the floor or sidelines during timeouts and between quarters of the game. Cheerleaders may use the sideline or end line areas before games so long as they do not interfere with the pregame warm-up.

It is the responsibility of each school's administration coaching staff and cheerleader sponsors to see that their cheerleaders conform to this rule. Since it is not a playing rule and is not included in the National Federation Basketball Rules book, it is not the responsibility of the game officials to enforce the rule.

If the officials observe the cheerleaders not following the rule and/or if the cheerleaders are in any way interfering with the game or the maneuvering of the game officials, then the officials will call it to the attention of the coaching staff or school administrators of the responsible school.

Schools should instruct all cheerleaders that they must follow this procedure during all interscholastic games.
2. The use of megaphones by cheerleaders is prohibited at all basketball games.

ARTIFICIAL NOISEMAKERS

Artificial noisemakers are prohibited at all basketball games. No thunder sticks, cowbells, drums, air horns or other artificial noisemakers may be used. It is permissible to have pep bands and other music groups, but they may play only during timeouts and when the ball is not “alive” during a game.

Gym Criteria

In order to accommodate the games, teams and spectators, each host school in play-off competition must provide a facility that meets the minimum standards. In all area and sub-regional playoff games, the home team is responsible for providing a gym that meets these minimum requirements:

- a. The court shall be at least 84' long (may not be longer than 94') and 50' wide with clear contrasting markings.
- b. If the end line is less than 15' from an obstruction, the latter shall be padded in the area under the goal.
- c. There should be a 3-foot clearance from the bleachers to the sidelines. If it is impossible to provide a 3-foot clearance, a narrow broken 1-inch line shall be marked inside the court parallel with, and 3 feet inside, the boundary.
- d. The area above the court must be clear of any obstruction and at least 25 feet high.
- e. The floor shall be marked as outlined on Pages 6, 7 and 8 of the National Federation Basketball Rules book. The court shall include “coaching boxes” in accordance with Rule 10-5-3 adopted by the AHSAA.
- f. Backboards (with ring restraining devices) shall be rectangular glass boards with official protective padding on the bottom and 15" up each side.
- g. A gym for Class A and 2A area and sub-regional games shall have a minimum seating capacity of 300; Class 3A and 4A-500; Class 5A and 6A-700.
- h. Dressing rooms with hot and cold showers for both teams must be provided.
- i. An officials' dressing room with hot and cold showers available must also be provided.

Seeding-Drawing Meeting

DATES AND SITES: To be set by the area coordinator in order to meet the reporting deadline.

REPORTING DEADLINE: Area tournament brackets must be received by the State Office no later than 10 a.m. Jan. 30. Brackets must include site, game times and dates.

ATTENDANCE REQUIREMENT: Each school with a girls and/or boys team **MUST** have a representative at the meeting in order to participate in the area tournament.

COACH'S RESPONSIBILITY: The coach of each area team in a tournament, including the host school coach(es), must submit online its Tournament Roster to the area coordinator and also to the State Office by Jan. 30.

COORDINATOR'S RESPONSIBILITIES:

- (a) Set the date and time for the area drawing meeting and notify the area schools.
- (b) Supervise the seeding and drawing of the area tournament brackets (girls and boys) by the participating schools, including setting suitable game times for schools in the tournament.
- (c) Make sure that the host school meets the gym criteria.
- (d) Fill out Form 43A online and email the complete area tournament brackets (including site, game times and dates) to the State Office before 10:00 a.m. on Jan. 30.
- (e) Mail or email a copy of the area tournament brackets to the participating schools.
- (f) Make sure all area teams have posted their rosters online.
- (g) Mail or email copies of all tournament rosters to the school hosting the area tournament.

SEEDING: In order to qualify for the area tournament, each team in the area must play each area opponent two regular season games prior to the seeding meeting. All area games must be played. Failure to play all area games could result in fines, probation and/or disqualification from the area tournament.

Seeding will be based on won-loss percentage against area teams that qualify for its area tournament. If a team plays a qualifying area team more than twice prior to the seeding meeting, only the first two regular season games will count for seeding purposes.

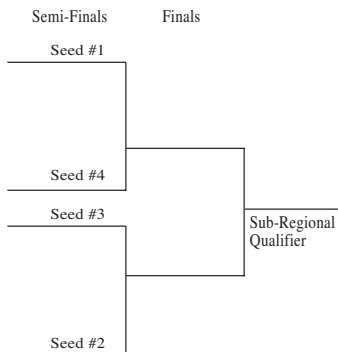

The No. 1 seeded team will host the area tournament. If the No. 1 seeded team does not wish to host the area tournament or cannot provide a facility which meets the gym criteria minimum standards, the No. 2 seed will host the area tournament.

Brackets with seeding:

4-TEAM AREA

5-TEAM AREA

Tie-Breaking Procedure

In the event there is a winning percentage tie by two or more teams for a certain seed, that seed will be determined by applying the following tiebreaking factors in the order listed, beginning with (a) for two teams or (aa) for more than two teams.

A tie for the highest seed will be resolved first, then the next highest seed will be resolved by applying the same tiebreaking factors in the order listed, beginning with (a) or (aa) as determined by the number of teams in the tie.

If a certain tiebreaker does not apply to the tie being resolved, apply the next factor in the order listed.

The tiebreaking factors:

If Two Teams Tie

- (a) ...the team which defeated the other in both regular season games will be seeded ahead of the other.
- (b) ...and the two teams split their two regular season games, the team with the highest winning percentage against the No. 1 seeded team will be seeded ahead of the other. If the tie is for the No. 1 seed, apply (d) and the remaining tiebreakers in order as necessary.
- (c) Apply (b) using winning percentage against the No. 2 seeded team;
- (d) Apply (b) using winning percentage against the No. 3 seeded team;
- (e) Apply (b) using winning percentage against the No. 4 seeded team;

A stylized, grayscale illustration of a wrestler's face and upper body. The image is composed of various shades of gray, black, and white, creating a layered, almost 3D effect. The wrestler's face is the central focus, with a determined expression. The background features curved, overlapping bands of different gray tones, suggesting motion or a wrestling ring. The overall style is graphic and modern.

The Championship Program

First Practice—Oct. 28 First Contest—Nov. 18

Online Requirements For All Sports

POSTING SCHEDULES

Schools must post season schedules on the AHSAA website in the Members' Area by the deadline dates listed below. Failure to do so could result in a fine assessed to the school. Schools may go online and make any changes immediately as they occur.

Deadlines for posting schedules:

April 1 — fall sports (football only)

June 2 — fall sports (volleyball, cross country, swimming & diving)

Sept. 16 — winter sports (basketball, indoor track) (wrestling – see item 3 below)

Jan. 15 — spring sports (baseball, softball, outdoor track, soccer, golf, tennis)

POSTING ROSTERS

Schools are required to post team rosters prior to its first contest of the season.

POSTING SCORES

Schools are also required to post scores of contests online immediately following all contests in the regular season (and within 24 hours after regular season tournaments) and in the playoffs or be subject to a fine.

In the post-season playoffs, failure to report scores immediately after a contest will subject the school to a fine.

1. The wrestling program has competition in three divisions: 1A-2A-3A-4A, 5A and 6A. Each division has two **super section** qualifying meets and a state meet. All state tournament participants must qualify in a section tournament.
2. Each high school is limited to 14 regular season playing dates (for dual, tri- and quad matches) plus weekend tournaments. All tournaments must be held prior to the section and state tournaments and must be held on weekends with no loss of school time. Tournaments are not counted as playing dates.
Junior high/middle schools are limited to 8 regular season playing dates plus weekend tournaments. All tournaments must be held on weekends with no loss of school time.
Note: A tournament, an organized sport competition that uses elimination and/or round-robin formats, must be sanctioned and determine a champion. It is usually played at one site.
3. All coaches must enter their schedules into Trackwrestling, which can be accessed by logging into the Optimal Performance Calculator (OPC) and clicking the link to enter the team's schedule and results.
In order to get their NWCA Optimal Performance access codes, coaches must first register. To register, coaches must go online at www.nwcaonline.com or call the NWCA office at 717-653-8009.

All of the schedules will be in Trackwrestling.com for the start of the season so coaches can utilize the live scoring component. Coaches will be able to access the scoring component by logging into the OPC at the start of the season (probably well before).

4. All participants must be eligible under AHSAA rules.
5. All matches will be conducted under National Federation rules, including the conduct rules for participants. The conduct of coaches falls under the AHSAA Ejection Rule.
6. High school competition will be divided into 14 weight classes as follows (in pounds): 106, 113, 120, 126, 132, 138, 145, 152, 160, 170, 182, 195, 220 and 285.
Junior high/middle school weight classes are: 75, 85, 95, 103, 112, 119, 125, 130, 135, 145, 155, 165, 175 and heavyweight.

Weight Certification Program

During the 2013-14 school year all schools with wrestling programs must follow the provisions of the weight certification program established by the Association for all wrestlers competing in varsity and junior varsity programs as mandated by the NFHS. The results of this process will be binding towards the eligibility of all wrestlers. Any school failing to follow the required provisions adopted by the AHSAA will be subject to penalty, including a fine or probation or both.

The establishment of a minimum wrestling weight based on 7% body fat for males and 12% for females will be mandatory for all high school wrestlers. The AHSAA does not advocate that a wrestler's established minimum weight is the athlete's best weight, but simply the minimum weight at which the athlete will be allowed to compete.

Note: Any junior high/middle school wrestler that participates in high school varsity and junior varsity programs must follow the guidelines of the Weight Certification Program.

I. ESTABLISHING MINIMUM WEIGHTS

- A. Bioelectrical impedance (BIA) measurements will be utilized to determine each wrestler's body fat percentage. They will be taken using the Tanita TBF-300W Body Composition Analyzer.

If the Tanita gives an "Error" reading for a wrestler on two consecutive readings, then skin fold measurements will be used to determine body fat percentage at that time. Lange calipers shall be used at three specific sites to measure skin fold (Lohman sites, Abdominal, Tricep, and Subscapularis).

- B. The BIA measurements will be preceded by hydration assessment. A wrestler must pass a specific gravity assessment with less than or equal to 1.025. If the wrestler fails the specific gravity assessment with greater than 1.025, the wrestler must rehydrate and wait at least 48 hours to retest. Digital fiberoptic refractometers shall be used to determine hydration.

Provided the wrestler passes the hydration test, the results of his/her body composition assessment will be entered into the NWCA weight certification internet calculator on the Initial Assessment Page of the NWCA website (www.nwcaonline.com). The internet calculator will automatically determine the wrestler's minimum competitive weight based on the parameters in I.A. above.

- C. Once a wrestler passes the hydration assessment at the site, the measurement process has begun. If a wrestler is removed at any point during this process after the hydration assessment is done, the wrestler's only option to complete the assessment process is via the appeal process. **A one pound clothes allowance will be configured in with the Tanita Scale measurement so that the wrestler shall wear a singlet during the process.**
- D. The lowest weight class in which a wrestler may compete will be determined as follows:
 - 1. If the predicted weight, at 7% body fat for males and 12% for females (less 2% of that predicted weight), is exactly that of one of the weight classes that shall be the wrestler's minimum weight class.
 - 2. If the predicted weight, at 7% body fat for males and 12% for females (less 2% of that predicted weight), falls between two weight classes, they must wrestle at the higher weight class.
 - 3. Any male or female wrestler whose body fat percentage at the time of measurement falls below 7% male/12% female may wrestle at the weight class where their predicted weight (less 2% of that predicted weight) places them.
- E. The deadline date of Feb. 3, 2014, determines if the wrestler will be able to reach his/her MWW. The deadline date minimum wrestling weight is calculated by using 1.5% of his/her body weight lost per week from the initial assessment to the deadline date. This MWW determined by the deadline date will only be used if it is higher than the MWW.

II. TIME PERIOD FOR BIA MEASUREMENTS

- A. Regardless of when a wrestler first participates in a practice session, he/she may not compete at the varsity or junior varsity level (exhibition matches) until his/her minimum weight has been determined and his/her name and data has been entered into the NWCA program.
- B. BIA measurements (including all appeals) must be conducted on or after Oct. 12 of this year and must be completed by Dec. 18, 2013. All eligible athletes or those becoming eligible at the semester break must meet this requirement. Any athlete failing to meet this requirement shall apply to the AHSAA Executive Director for acceptance on a case by case basis.
- C. The controlled weight loss starting date ("Alpha date") will be Saturday, Oct. 12 (The first practice date is Oct. 28).
- D. If BIA measurements are completed after the first official practice date, the "alpha date" will be the date BIA measurements are completed.

III. CONDUCTING MEASUREMENTS

Encore Rehabilitation Corporation has been approved to fill this need. The four testing dates with eight sites/locations below will also be listed on the AHSAA website (www.ahsaa.com).

Sites	Locations	Dates
Auburn	Auburn High School	November 2, 2013
Homewood	Homewood High School	November 2, 2013
Madison	Bob Jones High School	November 9, 2013
Trussville	Hewitt-Trussville H.S.	November 9, 2013
Montgomery	St. James School	November 16, 2013
Hoover	Hoover High School	November 16, 2013
Athens	Athens High School	November 23, 2013
Fultondale	Fultondale High School	November 23, 2013

Pre-scheduled time slots will be used at all of the locations listed above. A coach must contact Bridget Henderson of Encore Rehabilitation Corp. (256-784-5600 or 256-606-1222 prior to 8 p.m.) to schedule a time slot for his/her team. The times will begin at 9:00 a.m. and will be set up in half-hour intervals ending at 12 noon. (Ex: 9:00, 9:30, 10:00, 10:30, 11:00, 11:30). The complete team and coach shall arrive 30 minutes prior to its scheduled time slot in order to register. The coach must bring a complete listing of the athletes names along with the complete payment for the team's processing fees.

IV. GROWTH ALLOWANCE

A two-pound growth allowance shall be added to each weight class after Dec. 25. The weight classes remain the same for the purposes of the weight management program.

V. WEEKLY WEIGHT LOSS MONITORING (using the NWCA Optimal Performance Calculator (OPC))

All wrestlers will be limited to losing no more than 1.5% of their body weight per week as they make their descent toward their pre-determined minimum wrestling weight. The wrestler's assessment data which is entered into the NWCA OPC program generates an Individual Weight Loss Plan for each wrestler. (Please refer to the AL Coaches Instructions: How to view an Individual Weight Loss Plan). This rule will be monitored as follows:

- A. At each weigh-in during the season, each coach must present his/her team's pre-match weigh-in form for that date to the match/tournament host director/coach. The pre-match weigh in form proves the wrestler's eligible weight class for that date of competition. This form is created and printed using the NWCA OPC Program. (Please refer to the AL Coaches Instructions: Creating a Pre-Match Weigh in Form)
- B. Post-match, all coaches will be required to finish their previously created weigh-in form by entering/typing their wrestlers's actual weigh-in weights and saving them using the NWCA OPC Program. After each match the actual weigh-in

weights must be entered and saved prior to creating a new pre-match weigh-in form for your next competition date. (Please refer to the AL Coaches Instructions: Record Actual Weigh-in Weights Post-Match)

- C. It is required that this task is completed prior to a team's next competition date. The wrestler's actual weigh-in weight data entered into this screen will be public information. Failure to enter the wrestler's actual weigh-in weight post-match will result in a warning the first time. Any further violations will render all wrestlers ineligible to compete on the next day of competition.
- D. In the event that any wrestler exceeds the 1.5% weekly weight loss rule, an email will be generated directly to the AHSAA office and to the responsible school. Any wrestler's first violation of the weekly weight loss rule will receive a warning. If further violations occur by the same wrestler, he/she will not be permitted to compete in the next two competition dates.
- E. All Head Coaches of participating teams in dual meets and tournaments will be required to record their wrestler's actual weigh-in weights post-match to be eligible for the post season competition. All coaches will be required to present a pre-match weigh-in form at their Section Tournament Seeding Meeting showing their wrestler's eligibility. (Please refer to the AL Coaches Instructions: Creating a Pre-Match Weigh-in Form).

VI. APPEAL PROCESS

Any wrestler may appeal his/her body fat composition calculations. Results obtained at any step of the process are automatically accepted. The athlete has no choice. The steps of the appeal process are as follows:

A. First Appeal – A complete retest of a wrestler by the same certified measurer of first test (Encore). The First Appeal must be in writing to the State Office and signed by the coach and administrator. Included must be the athlete's name, date of measurement, and site of the First Appeal measurement. This must be done within 4 days of measurement after the results have been posted on the website. There is a \$25 charge for this appeal and payable to the measurer at time of retest. All appeals will be scheduled with Bridget Henderson of Encore Rehabilitation Corp. (256-784-5600 or 256-606-1222 prior to 8 p.m.) at either the Encore Decatur West Clinic or the next appropriate scheduled test site.

B. Second and Final Appeal

1. A complete retest of a wrestler by the same certified measurer of first appeal test (Encore). The Second Appeal must be in writing to the State Office and signed by the coach and administrator. Included must be athlete's name, date of measurement, and site of the First Appeal measurement. This must be done within 4 days of measurement after the results have been posted on the website. There is a \$30 charge for this appeal and payable to the measurer at time of retest. All appeals will be scheduled with Bridget Henderson of Encore Rehabilitation Corp. (256-784-5600 or 256-606-1222 prior to 8 p.m.) at the Encore Decatur West Clinic.

2. The Second and Final Appeal will be done with the results of this test being deemed final and completely binding.

VII. NUTRITION EDUCATION

Each school shall provide a nutrition education program for all wrestlers and parents. This should be done in a pre-season meeting of parents and student-athletes. In addition to information given out at the meeting, wrestlers and parents should receive an orientation on the functionality of the integrated nutrition component of the NWCA Weight Certification Internet Calculator Program. Once all of the assessment data is entered into the NWCA program, unique passwords will be automatically generated for each wrestler. This allows each wrestler to go home and build a customized diet that honors his/her weight loss plan.

VIII. COSTS

All member schools will be assessed a fee of \$30 payable to the NWCA in advance. In addition, \$20 per student-athlete will be assessed and made payable to Encore Rehabilitation Corporation in advance to help offset its costs. Retest fee (failed hydration) will be \$10 per student-athlete. To contact the NWCA for any reason, please call 717-653-8009. To contact Encore for any reason, please call 256-784-5600.

1. The brackets for each **super section** tournament will be seeded by the criteria listed below using the NWCA Wrestling program.
2. To be seeded, a wrestler must have **participated in a minimum of nine (9) matches**, have a .500 record or have reached seeding criteria A, B or C.

Seeding criteria:

- A. Head-to head
 - B. Common opponent
 - C. Overall record (**Highest winning percentage in matches against in-state opponents from the same AHSAA wrestling classification – 6A, 5A, 4A-1A**).
 - D. Flip of a coin
3. If a seeded wrestler cannot compete for any reason, any wrestler(s) seeded lower will be moved up to fill in the bracket. No wrestler may move up a class after the brackets have been drawn.

Prior to the start of the **super section** meet, any wrestler submitted on the certification list may be used as a substitute in case of sickness or injury. If a substitute is used, the bracket for that weight class must be redrawn.

After submitting a **super section** entry, a substitution may be made only at the position where the injury or sickness occurs.

4. If a non-seeded wrestler cannot compete for any reason and no substitute is available, that place in the bracket becomes a bye and the bracket for that weight class must be redrawn.
5. Upon request, each coach must make available weigh-in charts, signed by a match official, for all wrestlers participating in the **super section** tournaments. Copies of score sheets may be used for dual meets and weigh-in charts can be used for tournaments.
6. If a weight class in any division of a **super section** meet has more than eight entries, the meet must be held over a two-day period since no wrestler may compete in more than five matches (championship or consolation) in any one day (Rule 1- 2-2).
7. Uniforms and weigh-in times will be in accordance with National Federation rules. Scheduled weigh-ins will be done by team by weight class. Weigh-in times will begin two hours prior to the first scheduled match of the tournament. Certified scales shall be used.
8. If a wrestler is disqualified during the **super section** tournament for flagrant or unsportsmanlike conduct, that wrestler is eliminated from the **super section** and state tournament, all super section points are lost and no alternate will be used in the state tournament.
9. Officials for super section tournaments will be assigned by the State Office.
10. The first four places in each weight class of Classes 1A-4A and 5A and the first 8 places in each weight class of Class 6A will be scored. (Note: No wrestler

may participate in more than five matches in one day with a minimum of a 45-minute break between each match.)

11. In each Class 1A-4A and 5A **super section**, the top four finishers in each weight class will qualify for the state tournament in their division. In each Class 6A **super section**, the top eight finishers in each weight class will qualify for the state tournament in their division. No alternates need to be determined.
12. An entry fee of \$100 per team and \$20 for an individual shall be assessed to meet expenses of the **super section** tournament.
13. **Super section** tournament admission is \$8 per session.
14. Two coaches in a corner. Wrestlers will not be allowed to sit in the corner. No one will be sitting “matside” with the exception of cheerleaders or newspaper personnel/photographers. Cheerleaders are to sit on sides of mats as to not obstruct view from the bleachers.
15. Participating wrestlers and coaches, one manager per team and one scorer per team will be admitted through the Pass Gate. All other coaches, principals, superintendents and their spouses will be admitted upon presentation of proper professional cards honored by the AHSAA. A maximum of 12 varsity cheerleaders (in uniform) will be admitted for the sessions in which their team is participating.
