## Bama's Saban, Butler's Stevens To Headline All-Star Sports Week

For the second straight year, the Alabama High School Athletic Directors and Coaches Association has secured the NCAA's defending national championship football coach as its keynote speaker for All-Star Sports Week set for July 12-16 at Huntsville's Von Braun Center.

Alabama head football coach Nick Saban will speak to state's coaches at All-Star Sports Week in July.

University of Alabama head football coach Nick Saban will be the featured speaker at the annual All-Star Sports Week Coaches School on Thursday, July 15. Saban, who guided the Crimson Tide to a perfect 14-0 record and the 2009 National Championship last season, will speak from 10 to 11:45 a.m. at the Coaches School annually attended by approximately 2,500 high school coaches from across the state. Last year's keynote speaker was Urban Meyer of the University of Florida, the 2008 National Champions.

This year, however, AHSADCA Director Steve Bailey went one step further – signing on Butler University head men's basketball coach Brad Stevens as the keynote speaker for the state's prep basketball coaches. Stevens, who led Butler to the school's first-ever Final Four Championship Game appearance this past season, is, like

Butler University Coach Brad Stevens is also set to speak at All-Star Sports Week.

### Team Photos Now Due For Program

Softball and baseball teams still participating in the AHSAA state playoffs are required to submit a team photo (jpeg format) and updated tournament roster immediately to program coordinator Dennis Victory.

Rosters should include player numbers, positions and year in school. Email ASAP to:

[dv@dennisvictory.com](mailto:dv@dennisvictory.com) and [ringram@ahsaa.com](mailto:ringram@ahsaa.com)

These must be received by May 7 to insure inclusion into the state championship programs.

## At April Meeting Central Board Addresses Many Key Issues

Several key items were addressed at the April meetings of the AHSAA Central Board of Control and AHSAA Legislative Council that will certainly help shape the future of the Alabama High School Athletic Association.

For starters, the Central Board approved the financial reports for the state football and basketball playoffs which now sets the stage for the new revenue

sharing program that provide each school in the AHSAA with some much-needed additional funding.

They also approved the Revenue Sharing Formula that has a two percent differential between the classes. Percentages were also set for non-football playing schools with at least five girls and five boys sports, non-football playing schools with less than five girls and five boys sports, and for schools holding membership for five years or less.

We have had a good year financially, thanks in major part to the schools and to our corporate partners. We all should thank our corporate partners every chance we get.

Without them we would not be able to hold our championships in such exciting venues. The positive memories that are being created for our students, coaches, schools and communities are immeasurable.

The Board approved the football audit that showed \$1.85 million divided among participating schools. The Final 48 financial report was also approved. It showed an increased payout of \$118,000, up from the \$61,000 received in 2008. The Wrestling state tournament financial report also had a 70 percent payout increase to schools.

**STEVE SAVARESE**  
EXECUTIVE DIRECTOR

The Central Board also voted to approve three key policies which should help better insure the safety and well-being of student-athletes. Those include:

A Concussion Policy that includes a mandated online educational course for coaches was approved and two proposals were passed by the Legislative Council. Under the AHSAA policy, a student removed from a contest because of signs or symptoms of a concussion may not return to play until a release is issued by a medical doctor. This policy is more restrictive than the National Federation rule that allows "an appropriate health-care professional" to clear an athlete for play.

The Central Board also approved a Championship Play Interruption Policy which now gives specific guidelines for the AHSAA when circumstances beyond the control of the AHSAA may interrupt our events. The final policy adopted was the Intravenous (IV) Fluid Use Policy, which prohibits IVs for any reason other than medical emergencies.

The Legislative Council passed two proposals that had been submitted through the AHSAA's proposal process

*We have had a good year financially, thanks in major part to the schools and to our corporate partners. We all should thank our corporate partners every chance we get... Steve Savarese*

for this school year. The first proposal passed by a 28-4 vote permits a high school coach to coach his/her child or children during the school year and summer break (including the seven competition days allowed). Other players from the coach's school would be excluded except during the allotted seven days of summer competition. The Council also approved by a 22-10 vote to allow 10 days of football practice in a 20-day period, an increase of five days. Both are very positive moves.

The Central Board selected officers for the upcoming 2010-11 school year with Mobile's Ed Lathan re-elected president and Luke Hallmark of Marengo County, vice-president.

## **Saban, Stevens To Address AHSAA Coaches**

Saban, one of the most sought-after college coaches in the nation. Stevens will address the AHSADCA's coaches from 2 to 3 p.m. on the same day as Saban July 15.

"The Alabama High School Athletic Directors and Coaches Association is extremely honored and excited about having two nationally-known clinicians of this caliber (speak to our coaches)," Bailey said. "Coach Saban and Coach Stevens are two of the best in their fields as evidenced by their recent National Championship participation.

"Our clinic committees continue to secure the best and brightest speakers for All-Star Sports Week, and we thank them for their hard work."

### **STEVENS BECOMES YOUNGEST COACH EVER TO REACH D-1 FINALS**

Stevens, who turns 34 in October, grew up in Zionsville, Indiana, where he starred in basketball at Zionsville Community High School. He then attended DePauw University where he continued his basketball-playing career and earned a degree in economics. He was an All-Conference selection as a collegiate player and a three-time Academic All-America nominee.

He joined the Butler staff in 2000 as a volunteer coach, was promoted to a full-time assistant position in 2001 and became head coach in 2007.

In his first year he led the Indianapolis school to 30 wins – becoming the youngest head coach in NCAA Division I-A history to do so. In 2010, in just his third season, he exceeded that mark while leading Butler to the NCAA finals. Stevens won more games in his first three seasons as a head coach than any other coach in NCAA Division I history.

At 33 years old, Stevens became the second-youngest head coach to reach the NCAA National Championship game, losing 61-59 to Duke. Following the season, he signed a contract extension with Butler that runs through 2021-22 season.

At his young age, he is now being called a coaching prodigy – drawing comparisons to another former Indiana high school star named John Wooden.

### **SABAN RESTORED CRIMSON TIDE TO NATIONAL PROMINENCE**

Saban, considered by many as the top collegiate coach in the game today, is understandably drawing comparisons to another coaching legend – Paul "Bear" Bryant.

Saban has returned to Alabama football a commitment to building the total program.

His uncompromising dedication to excellence in every phase of the football program is sure to yield long-term success for the Crimson Tide as evidenced by Alabama's improvement in year No. 2. A two-time National Coach of the Year, Saban has achieved resounding success as a head coach and has earned a reputation as an outstanding tactician, leader, organizer and motivator. Those qualities have sparked impressive turnarounds at every stop of his career.

Named the 27th head football coach in UA history on Wednesday, Jan. 3, 2007, Saban owns an overall record of 125-67-1 (.650) in 15 seasons as a head coach. He has also guided programs at Louisiana State (LSU), Michigan State and Toledo as well as in the NFL with the Miami Dolphins. At each of his five stops, he has improved the win-loss record in his first year when compared to the previous season. Prior to Saban's arrival, those teams posted a combined average winning percentage of .387. In the first season with Saban at the helm, a .617 winning percentage was achieved.

Saban has compiled a 110-50-1 (.686) record as a college head coach after completing his first two seasons at The University of Alabama. His first UA team finished 7-6 in 2007, but the 2008 season saw a different Alabama squad take the field as the Tide improved to 12-2, including 12-0 in the regular season.

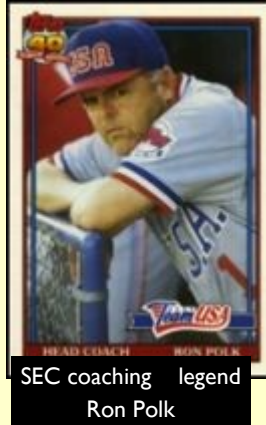

A native of Fairmont, W.Va., Saban is a 1973 graduate of Kent State University.

## All-Star Sports Week To Host 8 All-Star Contests

All-Star Sports Week has also lined up several other outstanding clinicians including SEC baseball coaching legend **Ron Polk**, now an assistant at UAB. Polk will address the AHSADCA's baseball coaches on practice organization, Tuesday, July 13.

Other keynote speakers include:

- **Murry Bartow, East Tennessee State University (Basketball)**
- **Jim Sanderson, Faulkner University (Basketball)**
- **Billy Kennedy, Murray State University (Basketball)**
- **Sharon Fanning-Otis, Mississippi State University (Basketball)**
- **Mark Fox, University of Georgia (Basketball)**
- **Mike DuBose, former UA head coach now at Memphis (Football)**
- **Tracy Rocker, Auburn University (Football)**
- **Trooper Taylor, Auburn University (Football)**
- **Jeremy Pruitt, University of Alabama (Football)**
- **Mike Markuson, Ole Miss (Football)**
- **Jeremy Rowell, Troy University (Football)**

## Making AHSAA News ....

### Booth Captures 800th

#### Baseball Victory In Playoffs

Hartselle High School's legendary head baseball coach William Booth recently became the first prep baseball coach in the AHSAA to record 800 wins when his defending Class 5A state champion Tigers downed East Limestone in the first round of the state playoffs.

Booth's team, which went 50-9 to set a state record for wins in a season in 2009 en route to the 5A crown, will be hosting the Class 5A semifinal round May 7-8 at Hartselle against Southside-Gadsden. Booth is now at 805 career wins and counting.

#### 10 Schools To Receive Dr. Lemak Award Grants

Ten AHSAA-member high schools have been selected as recipients of the 2010 Dr. Lawrence Lemak Award, a \$2,500 grant to each school based on need. A committee of Central Board members made the selections from 34 applications.

Schools selected were Arifton, Chilton County, Collinsville, Fayetteville, Florala, Jemison, Keith, Linden, G.W. Long and Slocomb. A total of \$25,000 has been distributed each year since 2008.

#### Six Students Chosen To Attend NFHS Leadership Conference In July

Six student-athletes were selected to represent the AHSAA at the all-expenses-paid NFHS National Student Leadership Conference sponsored by T-Mobile in Indianapolis this sum-

mer. A committee of Central Board members selected current juniors Adam Sport of Luverne, La'Jacqueline Morgan of Calera, Keyon Wallace of Childersburg, Phillip Dempsey of McGill-Toolen and current sophomores Leslie Parrish of Madison Academy and Nikki Moorner of Bay-side Academy.

#### Raycom To Video AHSAA Championship Events

The AHSAA has entered into a media partnership with Raycom, which now has media streaming rights for championship events. Raycom has already been busy filming tennis and track state tournament action to be played back this week and archived at Raycom stations including WSFA TV (NBC 12) in Montgomery, Fox-TV 6 in Birmingham, TV-48 in Huntsville and TV 32 in Dothan.

Raycom will televise some soccer finals this weekend and will be in Montgomery next week for the baseball and softball state championships. A schedule of these events will be posted on line at [www.ahsaa.com](http://www.ahsaa.com) as soon as it is available.

#### High Schools Can Download The New Revised Physical Preparticipation Form

The Central Board approved a revised physical form at its April meeting.

The new Pre-participation Physical Evaluation Form, which was last revised in 1993, can be found at [www.ahsaa.com](http://www.ahsaa.com)'s home page link

under Member-School items.

Schools should use this form for physicals for the upcoming school year. Remember, all physicals are good for one calendar year.

#### ASU Acadome to Host JH/Middle School Conference

The AHSAA Junior High/Middle School Conference will be hosted on Aug. 25 at Alabama State University's Acadome, as announced by AHSAA Associate Executive Director Joe Evans.

"This will give us plenty of space and is an outstanding venue for this meeting," Evans said.

Principals, coaches and other administrators are urged to pre-register for the annual meeting which focuses on athletic concerns at the middle and junior high level.

#### AHSAA Meets With Reclassification Committee

The AHSAA's Reclassification Committee, which is comprised of school administrators and coaches, met for the first time in April.

Members of the committee are Doug Estell, Alma Bryant; David Wofford, Baldwin County; Dr. Daniel Shakespeare, Andalusia; Scott Rials, Elba; Gary Hall, Carver-Montgomery; Dr. Larry DiChiara, Phenix City Schools; Jerome Tate, Loachapoka; Dickey Wright, Homewood; Van Phillips, Erwin; Trey Holladay, Oxford; H.L. Noah, Muscle Shoals; Alvin Briggs, Florence; Paul McAbee, Albertville; and Harold Wells, J.O. Johnson.

## AHSAA Crowns Boys and Girls Track And Field State Champions at Gulf Shores and Birmingham

**Keenan Brock of Carver-Birmingham is shown crossing the finish line while setting a new Class 5A 200-meter dash record at 21.24 seconds. (Photo Courtesy of Dennis Victory, KDP Sports Photos)**

A total of 19 state records fell at the AHSAA 2010 State Track and Field Championships held at Gulf Shores (4A-5A-6A) and Birmingham-Southern College (1A-2A-3A) April 30-May 1.

It was certainly speed week for the runners as the overall boys 100-meter dash record fell at the Class 5A competition in Gulf Shores. Carver-Birmingham's Keenan Brock ran the 100 meters in 10.38 seconds in the prelims to best the mark set by Hazlewood's Pierre Goode in the 1986 Class 2A state meet at Troy. Brock then ran 10.37 in the finals on Saturday to break his own mark.

Brock also ran 21.24 seconds in the 200 to best the established record in that event. Jack Williams of Gardendale clocked 21.35 in 1985 to set the mark previously.

In the Class 6A boys 100-meter finals, Maudrecus Humphrey of Hoover also bested the 6A record of 10.48 seconds with a winning time of 10.43.

In all, nine girls state records were set and 10 boys records were broken. In Class 1A, Alex Gholston of R.A. Hubbard set new marks in the girls' 200 and 400 meters at 25.09 and 56.64 seconds, respectively. In the 4A competition, Kayla Stewart of Guntersville won the 100, 200 and 400-meter dashes respectively with a 4A record time of 11.98 in the 100.

## UMS-WRIGHT SWEEPS 4A BOYS AND GIRLS TENNIS TITLES

UMS-Wright High School's boys tennis team made history — again. The boys swept all six singles and all three doubles in the Class 4A tennis championships played at Lagoon Park April 29-30 for the second straight year.

Coach Rick Cleveland's squad didn't lose a set until the semifinals of the singles competition as the Bulldogs and Oneonta finished one-two in the team race with 84 and 49 points respectively.

While records are sketchy outside No. 1 singles and team scoring through the years, it is certain that no team in state history has won back-to-back titles with complete sweeps — at least not in Class 4A.

UMS lost only two sets all tournament and outscored opponents 341-75 in games won. In singles they were 38-1 in sets won and were 16-1 in doubles sets won. Winning No. 1 singles was Haas Byrd of the Bulldogs.

The UMS-Wright girls also won the 4A girls title with five singles champs and three doubles winners.

Four boys and four girls teams were crowned state champions overall.

Final team results included:

## Soccer Final Four Kicks Off Busy Stretch Of AHSAA Spring Championship Events

The month of May means more state championship events as the AHSAA gears up for championships in four sports from May 7 through May 15.

Soccer kicks off the busy nine-day stretch with the State Tournament competition for boys and girls at the John Hunt Soccer Complex in Huntsville May 7-8. Semifinal games are set for Friday in three divisions, Class 1A-4A, Class 5A and Class 6A, with finals set for Saturday beginning at 9 a.m. (Class 1A-4A Girls and 5A Girls) and followed at 11 a.m. (Class 6A girls and 1A-4A Boys) and 1 p.m. (5A Boys and 6A Boys).

In addition to the soccer championships, four regional softball tournaments will be played at Huntsville, Vestavia Hills, Troy and Gulf Shores May 7-8 with the top two finishers in each of six classifications advancing to the State Softball Tournament at Montgomery's Lagoon Park, May 13-15.

Baseball teams head into semifinal play this weekend, May 7-9, at home sites with winners advancing to the State Championship Series in Montgomery Tuesday through Saturday, May 11-15. Games will be played at Paterson Field and Riverwalk Stadium.

The AHSAA state golf tournament will be held at the Robert Trent Jones' Hampton Cove Golf Course in Huntsville May 10-11. The State Decathlon and Heptathlon competition will also be held May 10-11 at Hoover High School.

**AHSAA RULE SPOTLIGHT (Rule III, Section 21)****Summer Practice ...**

Each month in the *AHSAA Update*, specific AHSAA rules and regulations are spotlighted to better inform our member schools.

This month, we are spotlighting the **Summer Practice Rule**, which falls under **Rule 111, Section 21**.

All rules and regulations can be found on line at [www.ahsaa.com](http://www.ahsaa.com) on the Handbook By-Laws Synopsis link. The rules and regulations are also printed each year in the AHSAA Handbook.

**SECTION 21. SUMMER PRACTICE RULE:**

Coaches are allowed to practice with their own students during the summer months (from the end of school until the starting practice date for fall sports) and use drills to teach skills. Mandatory practices are prohibited until the starting practice date for fall sports.

No football equipment except hand-held blocking pads may be used until the starting date for fall practice.

Weight training and conditioning programs are not restricted.

It is the responsibility of each school to see that the Summer Practice Rule is not violated.

**Summer Practice Competition.**

1. A school may participate in seven days of practice competition per sport during the time school is out until the first fall practice date (Aug. 2 in 2010). No interscholastic contest may be

scheduled on Sunday without prior approval of the Central Board of Control. This includes summer play.

**Note:** If a coach conducts more than seven days of practice competition, he/she could be restricted from coaching that team the following school season.

2. Each student is allowed seven days of practice competition per sport.

3. Coaches may coach their own school players in practice competition

4. Each day of practice competition in organized events (team camps, Sports Festival, etc.) will count toward the maximum seven days allowed.

5. All practice competition and team camps sponsored by AHSAA member schools must include only AHSAA member schools or schools from other NFHS affiliated state associations.

*(All team camps hosted by colleges and other*

*outside organizations are excluded.)*

**Bylaws - Game Officials 49**

6. Practice competitions between schools are deemed to be modified or practice contests under the jurisdiction of participating schools, therefore AHSAA-registered officials are not required and National Federation rules may not apply.

7. Each school should analyze the liability issues of its practice competition and act accordingly.

8. Admission may be charged to any practice competition under the direction of the school principal.

9. No practice competition involving coaches and players in grades 7-12 (including team camps) is allowed during All-Star Sports Week, a "dead week".

10. Helmets and hand-held blocking pads are the only types of protective equipment that may be used in any football practice

competition (includes team and individual camps).
