ALL-STAR SPORTS WEEK

INTERVIEW POLICY

On behalf of the Alabama High School Athletic Directors & Coaches Association and the Alabama High School Athletic Association, we would like to welcome you to Montgomery for the 18th annual All-Star Sports Week festivities. We would also like to thank you for your attendance and interest in what we hope is an eventful week for everyone involved.

With the large number of athletes on hand and the very tight schedule that they must adhere to, we ask you to please follow the guideline set below concerning interviews:

Players will be available for interviews before practice, at the conclusion of practice, during dining hours and at the dormitory. Please set up all interviews with the administrative coach of that particular sport. Once a player is on the bus, he/she is unavailable for interview purposes.

Of course, interview opportunities are available after the games, but please do not interview a player/coach while the game is in progress or while the MVP awards are being presented.

We appreciate your cooperation and hope you have an enjoyable week.
