POSTGAME QUOTES

UMS-Wright head coach Terry Curtis:

Unbelievable I could not be more proud of this group of young men. If you could only have seen us at the beginning of the season you would see how far we have come. I thought being physical up front was the key. I also think that play (Oneonta fumble) right before the half was the turning point in the game.

(On wide receiver Troy Dixon) I have had a lot of great wide receiver over the years but never one like T.J. Dixon.

Troy Dixon (wide receiver, #1)

This is unreal, it really is! Our line did a great job. They worked extremely hard all week and really came out and executed today. Our running game sort of found its bread and butter late in the game.

Oneonta head coach Don Jacobs:

We felt like we had a good plan coming in. We are a man-to-man type of team and we made some mistakes. We did not fill our gaps and missed a few tackles. They (UMS-Wright) were able to take advantage of our mistakes, then when they made mistakes, we were not able to take advantage.

Alvin Scott (defensive back, #10)

(On UMS Wright's 33-yard touchdown pass on 3rd-and-32 in the third quarter) We were in Cover 3 and I cut inside on the post. He made a good play on a double move. It was my fault.
