CLASS 5A CHAMPIONSHIP POST GAME QUOTES

Spanish Fort head coach Mark Freeman: We have been through some tough things this season and I have been really blessed with these players. We appreciate this moment and are glad to be here and be champions. The offensive line has gotten better and better every week and that was a big factor tonight. We just got to rolling in the second half after getting good field position after some key turnovers. McAdory has a great team and needs to be proud of what they have done.

Jonathan Cook (#12, DB) It feels good to be back here. The Super 6 has treated us good!

Joel Poe (#6, QB) We really never know what a defense is going to give us. We had opportunities to pass and were able to take advantages tonight. I was just going through my reads. Whoever was open I was just trying to get the ball to them.

McAdory head coach David Powell: We came here to win. We just got off to a slow start. Give Spanish Fort all the credit for that. They are a great team. We started slow and were never able to recover. We have been the underdogs many times this year and still found ways to win. I am very proud of that. It has been a great run.

Cory Thomas (#34, DL) We worked hard to get to this point. It means a lot and hurts to get this far and come up short.s
