Oneonta Head coach Don Jacobs:

It's extremely exciting to finally win one. These guys have been there three times and come close. We've had a great week of practice. They went out, performed and executed the game plan to perfection. Charles Henderson is a very good team. They are huge up front and have a very experienced quarterback.

We've been very resilient. These guys understand the process of going to work every day. We played a lot of younger guys during the year and that helped us develop some depth.

#54 Blake Bean on winning a title after coming up short two straight seasons:

I think the last two years have made this even sweeter. We've worked four years under coach Jacobs and to get a win like this is phenomenal.

#22 Brock Latta

We've been working on this our whole lives. We grew up playing together and this is what we worked for. To end it like this...we couldn't ask for anything more.

Charles Henderson head coach Mike Dean:

I'm proud of our kids. Congratulations to Oneonta. We probably played as poorly as we have played all year long. We didn't have a good week of practice. The (Oneonta) experience of being here three years in a row showed today.

We were not able to get any form of rhythm. We're disappointed but the sun will come up tomorrow. We will learn from this and get better.

They (Oneonta) controlled the line of scrimmage. They were more physical than us. Because of that, we couldn't run the ball and we had to throw a lot more than we normally do.

#9 Charles Ingram III

It was a great year. We were proud of what we accomplished up until today. We wanted to finish the job and were unable to and it's heartbreaking.
