Hoover Head coach Josh Niblett:

I'm so proud of these kids and I'm also proud of our coaches. They all did a tremendous job. This senior class...I can't say enough about what they have done. They have really left a legacy in a program that is already full of tradition.

I think these seniors did a really good job of leading. When you're a senior you really have to take on that responsibility. We also have a solid group of juniors coming up behind them and they will get their chance to lead next season.

What it came down to was the defense continued to play well. Our offense and special teams came through when they had to and it was enough to give us an opportunity to win the game.

The blocked punt was huge. It really changed momentum for us in the first half.

Auburn head coach Tim Carter:

I just want to say I'm real proud of our kids. They gave maximum effort all season long. We are very proud of this year but not satisfied. You can see on our players' faces that they are disappointed, but that is life.

I would like to congratulate Hoover. They have a great team and a great program.

At times, we ran the ball well, but we just couldn't develop anything consistently. Our kicking game had some troubles and we had too many penalties that cost us.

We got the field goal to start the second half that cut it to 7-3. We just couldn't get going after that. I thought our defense played phenomenal. We just had a few turnovers and other mistakes that opened the door for them (Hoover).
